

# Solar Flair Mission Guide

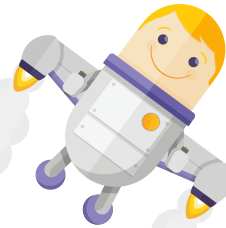

Hello Cadet, and welcome to Solar Flair!

Your mission is to join the English Stars Grammarnaut team and rise through the ranks by completing activities. Along the way you can collect Activity Points, Teacher Awards and Achievements to build up your Solar Flair portfolio.

Use this secret guide to understand how to earn Solar Flair rewards.

Remember to try your hardest and ask your teacher if you need help.

Good luck!

## Teacher Awards

In any activity, you can earn a gold, silver or bronze award from your teacher for a job well done.

## Activity Points

You'll earn points for answering questions correctly in activities. Bonus points will be awarded if you get fast-tracked to an Extension activity.

As you earn Activity Points, you'll progress through a series of levels. Not all Grammarnauts will make it to *Level 21 Big Bang*. Which level will you reach?
