ABOUT SUPER CHALLENGES

About Super Challenges

Sound Waves Super Challenge Black Line Masters are the perfect accompaniment to your Sound Waves Program. They are designed to extend students further, once they have completed each Sound Unit in their Student Books.

Each year level can be purchased as a Class Licence or School Licence.

Each year level of the Super Challenge Black Line Masters contains 36 individual challenges, complete with answers, for each of the corresponding Sound Units in the Student Books.

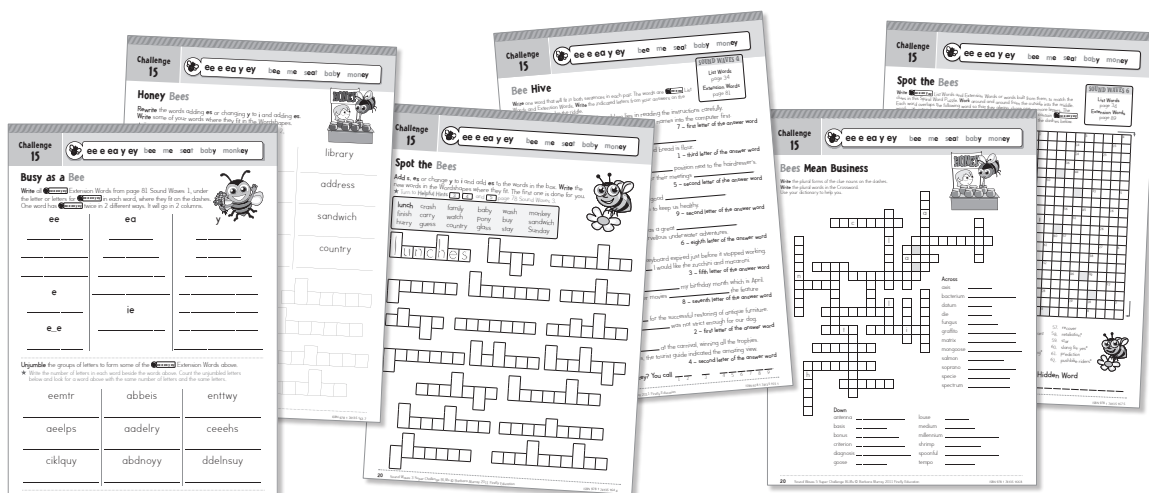

Super Challenges require students to:

- read, comprehend and follow complex instructions
- research resources, such as a dictionary, a thesaurus, an atlas or the internet
- think logically and laterally
- develop problem-solving strategies
- apply current knowledge to new situations
- analyse – look for similarities, differences and recurring patterns
- extend knowledge of word meanings using affixes, and Latin and Greek roots
- make assessments of outcomes.

Students will also have fun solving the challenges!

About this Sampler

This sampler contains the Unit 15 Super Challenge for Years 1–6, and their answers.
