A globe is the central focus, featuring various landmarks and scenes. At the top, a girl with red hair in pigtails, wearing a brown hat and a green vest, holds a map. To her left is the Great Wall of China and the Great Pyramids. Below the girl is a red steam train on a track. To the right is the Colosseum. At the bottom, there's a pirate ship and a dinosaur. The globe is surrounded by a blue circular border with white dots.
